Everyone in the school community has a role to play in helping with school attendance. Having students attend school is extremely beneficial to the future of local communities. However, many students do not attend school regularly or fail to attend at all. Schools, parents and caregivers, local community members and businesses are all an essential part of providing and supporting education in our schools.

The NSW Department of Education and Communities employs Home School Liaison Officers across the state. These officers are teachers who support schools and the school community to ensure that all students attend school regularly. Parents having difficulty getting their child to school should not hesitate to contact either the school principal or the Home School Liaison Officer at your nearest Department of Education and Communities office. Call toll free 131 536 for your nearest regional office.

Inverell Public School will be implementing PBL in the next few months. PBL is an acronym for Positive Behaviour for Learning. It is a school wide system for promoting positive behaviour and for preventing and managing misbehaviour in order to enhance learning.

On Monday 29th April, 2013, Alice Cairns (National Partnerships, Principal Liaison Officer and PBL Consultant) will be hosting a PBL training day at Inverell Public School for our staff and Glen Innes High School, Bundarra Central School and Tingha Public School staff.

The PBL team will be launching a Logo Competition early next term for the students to design a cool (modern) swan to be our PBL logo. (Please note this will not take the place of our school emblem, it is only for the use of PBL). Students will vote on the top 5 cool swans from each class and the results will be taken to a community panel who will then select our PBL swan logo. The talented student who wins the PBL Swan Logo Competition will have their swan used on all PBL posters, documents and signage around the school. Further details about the Logo Competition will be given in early Term 2.

In the mean time here are some ideas to get our "student artists" thinking about what type of cool swan they might like to start designing.

 STATE SWIMMING– with Poppy Price

On Tuesday I swam in the N.S.W State championships. It was at the Homebush Aquatic Centre where the Sydney Olympics were held in 2000.

The pool was really cool, it had automatic touch pads, adjustable blocks and I got to see my name in lights on the big screen.

The best thing was seeing James Magnussen training in the pool I raced in. He has a tattoo of the Olympic Rings.

I swam a personal best and Thankyou to everyone who bought raffle tickets and sent me good luck messages.
