There is a wide range of fun and interesting learning activities that are planned for our students over the next 11 weeks.

We are certainly making a timely start with the Year 4 students visiting Copeton Dam today and tomorrow and staying at the bunkhouse for their first overnight excursion – a very exciting adventure!

On Friday we will be sending a small team of enthusiastic riders to the Glen Innes High School Horse Sports Gymkhana. Mr Opie will be providing supervision and support to students and Mrs McLachlan will be supporting students with all horse related activities. Good Luck to all!

Next week the Early Birds Program continues school readiness learning for students who will be entering Kindergarten in 2015. This program has been remarkably successful and has great commitment from staff and families. It allows a gradual and smooth transition from preschool to school and ensures that children are ready to commence their learning in the school setting. Please don’t hesitate to contact the school if you would like to discuss your child’s transition to school. Teachers are available to provide support and advice as you make those decisions that will make the introduction to school a positive experience for children and their families.

I express my thanks to the teachers who have been involved in coordinating and supervising these alternate learning events that complement and enhance educational programs.

Today it is important to recognise the wonderful community support provided throughout last term as we tried to understand the impact of the loss of Mrs Harding. It would be impossible to thank people individually but many people provided care and friendship, assisted with coordinating the Memorial Service, provided food, decorated the hall, set up equipment and helped clear up the area at the close of the evening.

Thankyou for the support provided by the truly outstanding Inverell community.

Warm Regards from

Robyn

Mrs Robyn Stewart
Principal

Kindergarten 2015
To secure your child’s place for Kindergarten 2015, please return enrolment forms to the front office asap.
Friday 31st October, Family Fun Day and Grandparents Day

This year our Grandparent’s morning tea and Family Fun Day will be on **Friday 31st October**. Planning for this day is now underway. It’s time to start preparing plants for the plant stall, making craft items and collecting items for the white elephant stall. Any unused items would be greatly appreciated. This is a great way to support the Inverell Public School P & C. We hope you can save the date and come join us for a great day of fun. We would also love any parent helpers who are able to run stalls and novelty events. Please call 67223072 if you can help.
