6B China Unit

6B have been working on Koi fish to relate to the China unit that we’ve been working on in class. Koi’s are native to China and have many stories about them. When we were drawing our koi we were looking at shapes of the koi instead of the full picture. By Tara Dodd & Aydee Ricardo

### SCHOOL FEES

We are very lucky in Australia to be able to receive a quality education at an incredibly low cost.

Last week accounts were posted home for your child’s school fees which are very minimal in covering the actual cost of educating our children but do provide extra funds to meet the needs not covered in our allocated budget. This year your school fee contribution will be used to purchase new resources for our library. We thank those parents who have already paid and appreciate prompt payment from those still to pay.

### Inverell Show Colouring Competition

Congratulations to all the children who participated in the Inverell Show Colouring Competition. All entries received an Inverell Show Society participant certificate. With many students receiving first, second, and third place certificates. Tara Jayaguhan and Jaimee Walker both received prize packs for being overall winners in their age division. Well done girls.

### Miss Jordanna Coughlin

Miss Coughlin is expecting her first baby in a few weeks. She had intended to work with her class until the end of term. However in the last week she has been advised that she needs to step back from work earlier than expected.

Ms Nikki Pithers will be the class teacher for 2J for the remainder of the year.

We wish Miss Coughlin all the best.
